### Narrative

The narrative should explain the student's emergency situation, including how the circumstances were unforeseen and unavoidable and how funds will help the student progress toward their degree.

### Supporting Evidence

Evidence of the student's circumstances should fully corroborate the emergency situation described in the narrative.

### Proof of Exhaustion

The proof of exhaustion should demonstrate that the student has exhausted their funding options through the University. Typically, this is correspondence from Husker Hub.

### Proof of Financial Need

The proof of financial need should demonstrate the exact amount of funding needed by the student. This is typically a copy of a student account bill, an invoice or quote for a future purchase.

I have reviewed this submission and am requesting emergency funding as noted above from the College of Journalism and Mass Communication. I understand that submission of this application does not guarantee funding.
