

Sample Catalog Language: All undergraduates in the College of Journalism and Mass Communications must complete Experiential Learning (EL) designated courses beginning with the 2022-23 Undergraduate Catalog. The Experience Lab provides an opportunity for students to gain hands-on learning experience from the first semester they enroll in the college. Three credits in the Experience Lab are required. Students are required to complete JOMC 197, 297 and 397 for graduation. Each one-credit practicum is pass/no pass that allows students to build their academic skill set, explore their professional interests, and apply their learnings in a practical, hands-on and reflective way.
